

Daughters of SARAH SENIOR COMMUNITY

Dear Applicant,

Thank you for considering Daughters of Sarah Nursing Center. Whether you are seeking placement now, or planning for the future, it is our pleasure to assist you with your health care needs.

Enclosed you will find some helpful information and our application for admission. Please take a few moments to familiarize yourself with our many services as you complete the application packet.

New York State requires that a Patient Review Instrument (PRI) and SCREEN be completed and submitted to Residential Health Care Facilities as referral for admission. The PRI and SCREEN provide facilities with valuable information needed to make a complete and accurate assessment of your overall health care needs.

If you are currently in a hospital, the PRI, SCREEN and pertinent medical information will be provided to us by the Hospital Discharge Planner or Social Worker.

If you are currently living in the community, you must submit a current PRI and SCREEN. These forms can be completed for you by contacting a visiting nurse, the County Department of Social Services, the County Department of Health, a certified home care agency or a certified long-term home health care program. In addition, the enclosed Physician's Report and Orders form must be completed and returned to us by your physician. Additional medical information may be requested from other medical specialists involved in overseeing your health care needs.

If you have an established Advance Directive (e.g.: Health Care Proxy, Living Will, Do Not Resuscitate, etc.), please be sure to submit a copy to us.

Daughters of Sarah accepts payment from individuals covered under the Medicaid program. For residents paying privately, our current rate is \$325.00 per day plus New York State Surcharge and ancillary services. Ancillary services may include, but are not limited to restorative physical, occupational and speech therapies and prescription medications. **All of our residents' medications are ordered only through Royal Care Pharmacy.**

The Administration and staff of Daughters of Sarah Nursing Center are committed to providing the highest quality of care to those entrusted to us. We welcome you to tour our Center. To set up an appointment or if you need further information, please contact the Admissions Office, Monday - Friday, 8:30 AM to 4:30 PM at 724-3323 or e-mail: Olmsteadc@daughtersofsarah.org.

Sincerely,

Crystal Olmstead, LPN
Admissions Coordinator
