

MEMORANDUM

TO: Daughters of Sarah Nursing & Rehabilitation Center Families and Residents
FROM: Mark L. Koblenz, CEO
Daughters of Sarah Senior Community
DATE: December 13, 2020

Please be aware that, over the weekend, the Nursing & Rehabilitation Center has recorded one new resident who tested positive for COVID-19. This individual is now quarantining in accordance with our infection control protocols.

Regretfully, I must also advise you that one resident, who had previously tested positive for the virus, has passed away this weekend. On behalf of the entire Daughters of Sarah family, I express our sincerest condolences and words of comfort to their family.

As of this juncture, we have not received any new positive test results regarding our staff members. We remain committed to keeping you advised through these memoranda and our Coronavirus Hotline at 518-724-3203.

Although indoor visitation is still suspended, we continue to offer window visits or “Facetime” calls, as the volume of requests permits. For window visits, please contact Mary Roy at 518-724-3290 or roym@dosscc.org; for “Facetime”-type visits, please contact your loved one’s social worker.

Thank you for your continued confidence in our staff.
