

**MEMORANDUM**

TO: Daughters of Sarah Nursing & Rehabilitation Center Families and Residents  
FROM: Mark L. Koblenz, CEO  
Daughters of Sarah Senior Community  
DATE: December 31, 2020  
RE: COVID Update

We are very pleased to inform you that 1 additional resident has been transferred off of our COVID Unit due to the fact that they have recovered from the virus!

Unfortunately, 2 new residents have tested positive for the virus and have been moved to the COVID Unit. At present, we have a total of 12 residents residing on the COVID Unit.

This past Tuesday, one of our staff members did test positive for the virus, and has been quarantining at home.

From the entire Daughters of Sarah Community for Seniors family, we hope that the upcoming year brings peace, health and joy to all of us.
