

**MEMORANDUM**

TO: Families, Residents and Friends  
FROM: Mark L. Koblenz, CEO  
Daughters of Sarah Senior Community  
DATE: October 30, 2020

I trust this note finds you well. I am writing to advise you as to the status of matters at the Daughters of Sarah campus with specific reference to COVID-19.

We again note that there have been no cases of the virus reported with residents or staff at either the Nursing & Rehabilitation Center or The Massry Residence.

As you know, we are currently able to resume in-person visits this coming week. If you would like a visit, but have not yet scheduled one, please contact us. You can refer to our earlier Memoranda for specific scheduling instructions and procedures for each facility.

Please remember that, in accord with NYS Department of Health rules, during visits visitors must remain at a distance of 6 feet from their loved one, and must wear a mask. Each resident is allowed a maximum of two visitors, and visits may last up to 30 minutes. As in the past, those visiting Nursing & Rehabilitation Center residents must also bring proof of a negative COVID test taken within 7 days prior to the visit; test results are not required by the State for those visiting at the Massry Residence.

I am certain that you have seen recent reports in the press noting that the incidences of COVID-19 are increasing in our area. For the safety and well-being of everyone, we ask that you to remain cautious with your own infection control practices regarding the virus, and that you carefully adhere to the requirements the State has imposed to protect the safety of your loved ones.

While there was snow on the ground this morning, and the weather is turning nippy, if you still desire to plan for a window visit with your loved one, we can continue to offer that option. Please refer to earlier Memoranda with the instructions for window visits. (All of these Memoranda are posted on our website.)

Lastly, we continue to post daily information regarding COVID on our Coronavirus Hotline at 518-724-3203.

Thank you for your continued confidence in and support of Daughters of Sarah.
