

**MEMORANDUM**

TO: Daughters of Sarah Nursing & Rehabilitation Center Families and Residents  
FROM: Mark L. Koblenz, CEO  
DATE: October 2, 2020

Please allow me a brief moment to bring you up to date on a few matters at Daughters of Sarah Community for Seniors.

We again note that we have no outbreaks of COVID-19 among residents or staff on the campus. Accordingly, we are able to continue for now with our indoor visitation program.

The schedule for indoor visits will remain the same for the upcoming week:

*Tuesdays – MEU      Wednesdays – Blue & Gold      Thursdays – Red & Green*

at 10 AM; 11 AM; 12 Noon; 2 PM or 3:30 PM. Visitors are still required to provide proof of a negative COVID test taken within 7 days prior to the visit.

Given that many of you have had questions relative the visits, we are going to continue accepting reservations on our Visitation Registration phone line at 518-724-3202; alternatively, you may reply to this email. When responding, remember to provide: (i) Your name and phone number; (ii) Your loved one's name; and (iii) Your 1st and 2nd choices as to your desired time slots for a visit on the day assigned. *(We are postponing shifting to online registration for at least this coming week.)*

Window visits can also be held on Mondays and Fridays at 11 AM; 2 PM or 3 PM, and should be scheduled with our Activities Director, Mary Roy, at 518-724-3290.

On a different note, we would like to invite you to send in an 8 x10 picture of your loved one. (We will provide frames.) We have found that pictures of our residents are becoming great conversation pieces with staff and other residents. Given that we are prohibited from having communal dining, and must limit activities to very small groups, we would like to use the pictures to spur discussions and spark interactions.

Please mail or deliver your picture to the Nursing & Rehabilitation Center in care of the Activities Department.

As always, we will continue to post daily information regarding COVID updates on our COVID Hotline at 518-724-3203. Please avail yourself of the updates.
