

The Massry Residence
Gracious Assisted Living
Daughters of Sarah

MEMORANDUM

TO: Massry Residence Families, Residents and Friends
FROM: Mark L. Koblenz, CEO
Daughters of Sarah Community for Seniors
DATE: January 19, 2021
RE: COVID-19 Update

Please note that today's COVID-19 vaccination clinic at The Massry Residence went very smoothly. The residents who received the inoculation were all exceedingly excited to get it.

Moreover, the pharmacy performing the clinic elected to give the shots to residents in their doorways, so long as they were wearing their masks and protective equipment. A by-product of that process was that the residents also got an opportunity to see each other across the hallways, a privilege they have not had for the past several weeks.

For those receiving the vaccine today, Walgreens has given us a date of February 9, 2021 for the administration of the second dose.

Additionally, please note that we have had one new resident who has tested positive for the virus. This individual has begun the required quarantine period.

Should you have any continuing questions, please feel free to reach out to Sharon Rosenblum (518-724-3404) or Marisa Rotolo (518-724-3402).
