

MEMORANDUM

The Massry Residence
Gracious Assisted Living
Daughters of Sarah

TO: Massry Residence Families, Residents and Friends
FROM: Daughters of Sarah Community for Seniors
DATE: January 2, 2021
RE: COVID-19 Update

Please be advised that we have received the results of the remaining balance of the Coronavirus tests that were taking for our residents. We regret to inform you that 5 new resident tests have returned as positive for the virus since our last communication yesterday.

Cumulatively, since the beginning of December, in total 16 residents at The Massry Residence have tested positive for COVID-19. Of that number, 6 of them have fully recovered from the virus so far.

In keeping with our practices, we will perform another round of resident testing this coming week. The families of anyone who tests positive will be notified by our staff directly; otherwise, notification of results will be made by these communiques.

As always, should you have any questions, please do not hesitate to contact us.
