RE: COVID-19 Update

I regret to inform you that one of our Massry residents has passed away due to complications arising out of COVID-19. This individual had been transferred to the hospital a few weeks, and died there.

Nothing is harder for us to accept than the passing of a resident, who staff have cared for and come to love and cherish. Our friend will be missed by everyone.

On behalf of the Board of Directors, residents, and staff of The Massry Residence we offer our deepest and sincerest condolences to the family. May their loved one's memory always be for an eternal blessing.
