

MEMORANDUM

TO: Daughters of Sarah Nursing & Rehabilitation Center Families and Residents
FROM: Mark L. Koblenz, CEO
Daughters of Sarah Senior Community
DATE: January 18, 2021
RE: COVID Update

We are delighted to inform you that, as of today, we have moved 4 more residents off of our COVID unit, as they have recovered from the virus. I must share with you how excited our staff are to be able to experience the joy of having residents return from the COVID Unit.

At this juncture, only 2 residents are remaining on the COVID Unit.

Additionally, please note that, between the weekend and today, we have had 2 new staff member test positive for the virus. These individuals have begun their quarantine period.

I want to thank those of you who have returned to us a signed consent form for the 2nd round of vaccine inoculations. For those who have not yet responded, I attach hereto the required form. So that your loved one can receive the second shot, please sign the form and send a scanned copy or a photograph of it to info@daughtersofsarah.org. Again, in order to meet the pharmacy deadlines, we are looking for you to return the form no later than Wednesday, January 20, 2021.

In addition, if your loved one did not receive the vaccine during our first clinic, and they would now like to receive it, our pharmacy partner will be offering a “make-up” clinic. If interested, please sign and send back the attached consent form, as well, indicating that it for the “make-up” vaccine clinic.

If you have any remaining questions that we have not yet answered, please do not hesitate to contact your loved one’s social worker.

Thank you for your ongoing assistance and support as we finalize the vaccine rollout.
