RE: COVID-19 Update

This is just a brief weekend note to let you know that, earlier today, we learned of 1 additional new staff member who has tested positive for the COVID-19 virus. In keeping with applicable State guidance, this staff member is now quarantining at home.

Should you have any questions, please feel free to reach out to your loved one's social worker.

Thank you for your enduring understanding as we continue to address the spread of the virus.
We sincerely appreciate your support.
