

MEMORANDUM

TO: Daughters of Sarah Nursing & Rehabilitation Center Families and Residents
 FROM: Mark L. Koblenz, CEO
 DATE: May 6, 2021

We are pleased to inform you that, as we have not recorded any positive COVID tests amongst our residents, and with the increasing level of COVID vaccinations, we will be expanding our family visitation arrangements. Commencing this coming week, visits will be available in resident rooms for up to 45 minutes per visit at the following times:

<i>Monday</i>	<i>10 AM or 11 AM</i>	<i>2 PM or 3 PM</i>
<i>Tuesday</i>	<i>10 AM or 11 AM</i>	<i>7 PM</i>
<i>Wednesday</i>	<i>10 AM or 11 AM</i>	<i>2 PM or 3 PM</i>
<i>Thursday</i>	<i>10 AM or 11 AM</i>	<i>7 PM</i>
<i>Friday</i>	<i>10 AM or 11 AM</i>	<i>2 PM or 3 PM</i>
<i>Saturday</i>	<i>XXXXXXXX</i>	<i>2 PM or 3 PM</i>
<i>Sunday</i>	<i>XXXXXXXX</i>	<i>2 PM or 3 PM</i>

Any resident, except those in isolation, can be visited on any given day. Each resident may have no more than 2 visitors during each scheduled visit. Participants must wear masks at all times, socially distance (if not vaccinated), and engage in hand sanitizing after touching.

Visits will require an advance appointment, as there is a limit on how many visitors can be accommodated at one time. You can schedule a visit by calling our Reservation Phones, as follows:

For the MEU, Red, or Green Units, please call: 518-724-3202

For the Blue or Gold Units, please call: 518-724-3353

If leaving a message, please provide your name, day and time of your 1st and 2nd choice for a requested visit, a return call phone number, and whether or not you would like to receive a rapid COVID test prior to visiting. (NYS strongly recommends having a COVID test in advance of visiting; we offer a 15-minute test at no charge.)

Upon arrival at the Nursing Center, you will still need to be screened and have your temperature taken. You may then proceed to your loved one's room. Staff will be on hand to assist you if you are not familiar with the location of the room. Please note that DOH requires that you go directly to the resident's room; you are not to travel to any other areas in the building.

SPECIAL ARRANGEMENTS FOR MOTHER'S DAY

In addition, just for Mother's Day (Sunday, May 9th), visits can be had with your mothers for 30 minutes at the following times: 10 AM; 10:30 AM; 11 AM; 11:30 AM; & Noon. No more than 2 persons may visit each resident for this visit.

If you would like to arrange such a visit, please call 518-724-3353 with the same information as noted above. We will attempt to accommodate as many visits for our mothers as we can.
