

MEMORANDUM

TO: Daughters of Sarah Nursing & Rehabilitation Center Families and Residents
FROM: Mark L. Koblenz, CEO
DATE: August 24, 2021

We are pleased to advise you that we have completed all stages of our outbreak testing of residents and staff at the Nursing & Rehabilitation Center. All of the results since we began this process of testing have returned as negative for the COVID-19 virus.

As a result, we are able to re-open the Green Unit for visitation once again. At this juncture, visitation is available for all units.

We remind you that a scheduled appointment is still necessary to facilitate a visitation. Arrangements for visitation should be made online through our “*SignupGenius*” site-- <https://www.signupgenius.com/go/10c0d4fafa92fa1f4c07-resident>. The passcode to access the site is: “**Daughters21**”.

Please remember that you will need at least 24 hours’ notice to sign up for visitation through the “*SignupGenius*” site. You should make your plans accordingly.

If you have any other questions, please do not hesitate to contact your loved one’s social worker.

Thank you for your ongoing support, and for the affection that you have shown, and continue to show on a daily basis, for our residents.
