

**MEMORANDUM**

TO: Residents, Families and Friends  
FROM: Sharon Rosenblum, Executive Director  
DATE: January 14, 2022  
RE: COVID Update

Over the past twenty-four hours one additional staff member has tested positive for COVID-19. This brings our total number of staff positives to 8. Of those, 4 staff have been released from quarantine and have returned to work. We have no additional resident positives to report and our current positive residents remain in quarantine and are asymptomatic.

We continue to screen staff at the beginning of their shift and test anyone who has been exposed regardless of where the exposure occurred.

While we remain open to visitors,

1. All visitors are asked to wear a well-fitting paper surgical mask or one of a higher quality at all times and;
2. Please do not visit if you are not feeling well, exhibiting any signs and symptoms of COVID-19, and/or if you have been exposed.

Should you have any questions, please do not hesitate to contact me at 518-724-3404. We will also continue to post updates on our Coronavirus Hotline (518-724-3203) or at [www.daughtersofsarah.org](http://www.daughtersofsarah.org) as circumstances warrant.

Thank you for your support and understanding.

Sharon
