

MEMORANDUM

To: Daughters of Sarah Nursing & Rehabilitation Center Residents & Families  
From: Lisa Marrello, Administrator  
Date: January 15, 2022

Dear Family Members and Friends:

I am writing to inform you of our daily statistics. We have had one new resident test COVID-19 positive on the Blue Unit and 2 new resident positives on the Gold Unit. One resident has been released from quarantine. We now have a total of 5 residents in quarantine.

Over the past 24 hours we have had 3 staff members test positive and have released 7 from quarantine. Our current number of staff positives is 15.

We have taken additional measures on the Blue and Gold Units to limit potential exposure. We have paused all group activities and are now socially distancing residents in the dining room.

Thank you for respecting the new visitor testing requirements. Please refer to our memo dated January 14, 2022 on our website (under Coronavirus Updates) for any testing specifics.

If you have any questions feel free to contact me or your loved one's social worker.
