

MEMORANDUM

To: Daughters of Sarah Nursing & Rehabilitation Center Residents & Families
From: Lisa Marrello, Administrator
Date: January 20, 2022

Dear Family Members and Friends:

Over the past 24 hours we have had 1 new staff member test positive for Covid-19, and have released 1 staff member from quarantine. The total number of staff in quarantine is 5.

Sadly, one resident has passed away as a result of contracting the virus. We extend our sincerest condolences to the family – May his memory be for an eternal blessing.

We have had no new residents test positive for COVID-19. We currently have 8 residents who remain in quarantine for COVID.

We continue to quarantine and test staff and residents per NYSDOH and CDC guidelines.

If you have any questions or concerns, please feel free to reach out to me or your loved ones' social worker.

Thank you for your trust and understanding as we continue to confront this pandemic.
