

MEMORANDUM

To: Daughters of Sarah Nursing & Rehabilitation Center Residents & Families  
From: Lisa Marrello, Administrator  
Date: January 27, 2022

Dear Family Members and Friends:

I am writing to inform you that over the past 24 hours:

- On the Blue Unit, we released 1 resident from quarantine and have 3 residents remaining on quarantine for COVID-19. We retested all of our Blue Unit residents today and except for those in quarantine, all residents tested negative.
- On the Gold Unit, we released 2 residents from quarantine. We have 1 resident on Gold who remains on quarantine.
  - ❖ Sadly, one resident has passed away as a result of contracting the virus. We extend our sincerest condolences to the family. May her memory be for an eternal blessing.
- On the Red Unit, 3 residents have tested positive for COVID-19. These three residents have been placed in quarantine.

Tomorrow, January 28th, will be testing all units except Blue. We will keep you updated on those testing results.

Regarding our staff, we had 1 new staff member test positive and currently have 3 total staff members in quarantine.

Thank you for your trust and understanding as we continue to confront this pandemic.
