

MEMORANDUM

To: Daughters of Sarah Nursing & Rehabilitation Center Residents & Families  
From: Lisa Marrello, Administrator  
Date: January 28, 2022

Dear Family Members and Friends:

Today, we completed another round of full house resident COVID-19 testing.

Gold Unit: One new resident tested positive on Gold. We also released a resident from quarantine.

Red Unit: The 3 previously diagnosed COVID positive residents on the Red Unit have been moved to our Gold Unit cohort, as it was not possible to cohort on the Red Unit. Since the start of the pandemic, we have kept a block of rooms open on the Gold Unit for this purpose. As a result, we now have 4 residents quarantining on the Gold Unit.

Blue Unit: Three residents remain in quarantine.

We are planning another round of full house testing on Sunday, January 30, 2022.

Thank you for your trust and understanding as we continue to confront this pandemic.
