Dear Family Members and Friends:

I am writing to inform you that, sadly, one of our residents has passed away as a result of contracting the COVID-19 virus. We extend our sincerest condolences to the family – May his memory be for an eternal blessing.

We have 3 residents remaining in COVID-19 quarantine.

Regarding staff, we have no new staff positives to report and have released 1 staff member from quarantine. No staff members are currently in quarantine.

If you have any questions please do not hesitate to contact me or your loved one's social worker.

Thank you for your trust and understanding as we continue to confront this pandemic.
