

CONTRACTS AND VENDORS POLICY

The Daughters of Sarah Nursing & Rehabilitation Center annually enters into numerous contracts for the provision of goods and services for the benefit of its residents. As you can imagine these will cover: food products, kitchen supplies, equipment and kitchen management; medical services, equipment, medications and medical supplies; nursing and related care services; personal care products and supplies; therapy services, equipment and supplies; personal protection equipment; computer/copying/printing services, equipment and supplies; financial, investment, deferred compensation and banking services; auditing services; HVAC/plumbing/electrical services equipment and supplies; trash removal and recycling services; architectural and construction services; marketing and communications services; cleaning & maintenance supplies and equipment; and chaplain and religious services.

We regularly review these arrangements to ensure quality and efficiency.
